

# READY-RAK™

BY  
**HUTH**

**Huth's Ready-Rak mounts on the end of your Huth Bender. You can stack and rack collets, dies and other tools that are used the most. Right where you can see and use them. No clutter. No wasted time. Just more profitable swaging work.**

**The READY-RAK is:**

- 20-1/8" high
- 4-3/8" wide
- 4-3/4" deep trays
- 16-gauge steel
- slots fit Huth's Quick Trick™ tooling change adapter-P/N 825

**order part number
